Plans are already underway for the 2020 - 2021 school year. To help us with our planning for next year and beyond, we ask your cooperation in filling out the information below and returning it to us as soon as possible. Please do not list students already enrolled at the Knowlton Township Elementary School this year.

Additionally, if you have any friends or neighbors in the Township who have pre-school children, please have them contact school so we can obtain the necessary information. I would really appreciate your help in this regard.
