**May 4, 2012**

- **Fluteophone Club members should continue to bring Fluteophones and music books every Thursday.**
- 3<sup>rd</sup> Grade will be taking the NJASK test next week. **It is important for your child to be in school each day and to arrive on time.** We will not be having any other tests next week and our special area classes will be held in the afternoon. Homework next week is to free choice read each day. I would also recommend that you go through your child's Math notebook/WB and have them use the computer to play some games on IXL Math to review things that we have learned this year. You may also do some addition and subtraction (with and without regrouping). Your child may choose to bring a game (no electronic games) in to play each day when testing is over. An information booklet about the test is in today's folder.
- **Reading/Spelling- Due to schedule changes we will not have Reading and Spelling tests next week. We will begin the next lessons on Monday, May 14<sup>th</sup>.**
- **Due to make up tests that need to be taken there are no corrected tests in today's folder.**

**Sincerely,**
