Attention Parents:
Regarding our **School Breakfast Program**...Please note that Breakfast is NOT AVAILABLE on Delayed Opening Days.

CAFETERIA NEWS:

From the Cafeteria:

- Please note that the cost of the daily lunch for the 2018-2019 school year is \$3.25.
- Please visit the parent portal to see a record of your child's food service account. If you have any questions, please contact the office.
- Need to put \$ on your child's lunch account? You can also do this on the parent portal.
- If you receive an automated phone call regarding your child's lunch account, please settle the account promptly.
- Breakfast is not served on Delayed Opening Days.
- The January Lunch menu is available on the school website.

POWER UP WITH SCHOOL BREAKFAST!

Fuel up with a balanced breakfast and be ready to learn! KTES is happy to offer breakfast to students as part of the School Breakfast Program. Breakfast is available daily for all students. Cost is \$1.50 for students.

For those who currently qualify for reduced price lunch the cost is .30 cents. Eligible free lunch students are also entitled to free breakfast.

Important Information from Our School Nurse Concerning GERMS & LICE...

Dear Parents,

Holiday breaks are a great time to visit friends and family....but it's also a great opportunity to share germs and lice too! Please remind your child to wash his/her hands frequently, and encourage all your friends and family members to cover their coughs. Also, PLEASE CHECK YOUR CHILD'S HEAD FOR HEAD LICE AND NITS BEFORE RETURNING TO SCHOOL AFTER BREAK. If your child is going to share a sleeping space with others, do a quick head check before bed to make sure everyone is lice-free. It will only take a few minutes, and it will save you a LOT of time and energy later on!

As a reminder, if you find head lice, you must notify the school health office and you should also notify the parents of your child's friends with whom they've had recent contact. Your child's name will not be shared, but it helps me keep track of how many cases there are in each grade and class and where we need to focus our prevention efforts. I will also recheck your child when they return to school following treatment, but I have to know about cases of lice in order to do this! Please encourage other Knowlton parents to report cases of known lice as well. This is not just a school issue—it is a community issue, and we all need to work together to prevent the spread of lice.

Please call 908-475-5118 ext 121 with any additional questions.

Thank you!

Susan Acker, BSN, CSN, RN
