

Fall Flower Fundraiser

Knowlton Elementary is doing a fall flower fundraiser again this year. We are selling Mums in 5 different colors. These are beautiful, large potted mums that will be provided by a local greenhouse. Attached you will find the order form.

Each flower is \$6, or 3 flowers for \$15! Cash and checks are accepted. Make all checks payable to KTES.

Please have orders submitted no later than **Thursday, September 19th**. The flowers will be delivered to the school for pick-up on **Thursday, September 26th**. Orders can be picked up outside the multi-purpose room between 3:30 and 5:30.

This fundraiser will benefit the school's activity account which funds field trips, assemblies, and other school events. So please ask all of your family and friends to purchase their fall flowers through the school.

Thank you for your participation!!
