AND
SUBMIT YOUR RECEIPTS!!

## Box Tops are due to your teacher by:
October 18th

🏆 The classroom that submits the most Box Tops will earn
$50 to be used to benefit their classroom. The class will
also receive the traveling Box Top trophy! 🏆

How to receive credit for your Box Top app submissions:
- From the app home screen, tap on the earnings summary at the top, and then select "My Eearnings.
- When the list of your submissions appears, tap on one of the submissions to open it.
- On the next screen tap on the 3 vertical dots at the top right (first screenshot shown below).
- Choose "Give Credit" (middle screenshot shown below).
- A blank box appears. Type your teacher's <u>last name</u> in the box and save it.
- Credit can be given to past earnings by following these steps.
- Once a name is entered and saved, it should automatically assign to future earnings.

Reminders for Box Top labels:
- <u>Continue clipping Box Top labels.</u> They are still valid and still appear on many products.
- <u>Do not</u> submit expired Box Top labels. They don't count and will be discarded.
- Please <u>trim</u> your Box Top labels. This is a huge help to the coordinators that prepare them for shipping.
- Bring in your Box Top labels in a bag or envelope with <u>your teacher's name</u> on it so that your class receives proper credit.
