RE: Time Sensitive Notice for KTES Families Regarding School Lunch/Breakfast

This notice is for all our Knowlton Township Elementary School families. The United States Department of Agriculture has approved KTES for a program that permits schools to serve meals to their students at no charge through September 30th on days that school is in session.

If you are a remote learning family and wish to order a breakfast or lunch for your child, please contact Mrs. Ventura in the main office by Friday, September 18th to make arrangements to pick up the grab & go style meals for the week on Wednesdays between the hours of 9 am to 10 am at the west wing (gym entrance) where you will be met by a Maschio employee.

If you are an in-person learning family and wish to order lunch for your child, lunch orders are taken by the homeroom teachers each morning upon the student's arrival in homeroom. A Grab and Go Breakfast is also available each morning in the office when students get off the bus. Students wishing to grab one should report to the office and identify themselves to the office staff so that they can record who is being served. Students that would like breakfast or lunch on virtual Wednesdays should order those meals in homeroom on Tuesday morning as well. Those meals will be sent home with students on Tuesday afternoon. If you are interested in having your child participate in this program, please contact Mrs. Ventura in the main office by Friday, September 18th so that we can plan accordingly.

Should you have any questions or concerns, please contact the school at 908-475-5118, ext. 200.
