Mission Statement

We are committed to provide an engaging, comprehensive education aligned with the New Jersey Student Learning Standards in a healthy, safe and nurturing environment in which all students are encouraged to be critical thinkers and self advocates. Instilling a passion for learning will inspire and guide students to become responsible and compassionate citizens in a constantly changing world. Students have the opportunity to achieve their maximum academic potential both here and in their future education while developing confidence, competence and character.

Public Participation- Public participation shall be governed by BOE Policy 1120.1 Public Participation in Board Meetings. Public comments are invited on all matters pertaining to the school district. All participants shall be given three (3) minutes to speak and shall state their name, place of residence, and group affiliation, if appropriate. The Board uses the public comment period as an opportunity to listen to citizen concerns, but please be aware that not all issues brought to a board meeting will be resolved this evening; rather, the Board will, in appropriate cases, delegate the authority to investigate the matter to the Superintendent or their designee. Please let the record reflect that the BOE does not endorse your comments nor will the BOE be held liable for comments you make about a staff member, or other person, which the staff member, or other person, may consider defamatory and/or libelous, as that individual retains all rights to pursue any legal remedies against you.
