Jeannine DeFalco
Superintendent

Dana Carroll
Vice Principal

School Year 2023-2024

Dear Parents/Guardians:

The Elementary and Secondary Education Act (ESEA), Section 1118 requires that both the school district and the state ensure that parents play an active role in their child's education. The importance of parent involvement and the positive impact it has on student achievement is well documented. Our district receives some Title I federal funding to support our Basic Skills program for grades 1 - 3 in Math and ELA.

The Title I section of the law requires that parents be active participants and receive notifications and specific documentation throughout the school year. Since you have a child participating in the Basic Skills program, you are asked to sign and return the Title I Parent/School Compact. In addition, you are asked to review the Improving the Academic Achievement & Parent & Family Engagement Policy #6171.3 and the Right to Know letter that is posted on the school website under the For Parents Tab/ESSA: *Every Student Succeeds Act*.

If you have any questions concerning Title I or any other subject pertaining to school and the educational programs, please don't hesitate to call me.

Sincerely,

Jeannine DeFalco
Superintendent
