TITLE I PARENT/SCHOOL COMPACT
2023– 2024

NAME: _____ GRADE: _____ SUBJECT: ELA

Title I federal funding provides additional money to school districts in order to improve student academic achievement. The Title I funding that we receive supports our Basic Skills program.

In order to share the responsibility of ensuring high student performance, the Knowlton Township School District, in conjunction with parents and students, commits to the following agreement.

The Knowlton Township Elementary School staff will provide high quality curriculum and instruction in a supportive and effective learning environment that will allow children to meet the State of New Jersey's student performance standards. We will report student progress, schedule parent/teacher conferences and be reasonably accessible to meet with parents so they may participate in decisions relating to the education of their children.

Parents will support the efforts of the school by ensuring regular attendance, monitoring homework assignments and preparation for school, promoting reading, volunteering and participating in their child's education, as appropriate, and monitoring positive use of their children's extracurricular time.

Your signature indicates your understanding of the responsibilities described in the compact.
